

**PROTECT OUR EARTH** **I WANT TO**

**PROTECT!! OUR GREEN!!**

Do you know? Green is important to us. That kind of green is disappearing now. But you can prevent it by saving electricity and recycling. Let's protect our precious green planet together!

Class: 3-4 No. 28 Name: Runa Tobaru

3年 桃原 瑠夏

**Let's help the nature!**

We can turn off the lights when we leave a room. We can unplug things when we don't use them. We can turn down air conditioners and heaters. Finally, we need to reuse things and reduce waste. We need to produce things and reuse waste.

Class: 3-4 No. 10 Name: Osino Mino

3年 大城 美乃

**Saving Energy**

We can turn off the lights when we leave a room. and we can unplug things when we don't use them. By saving energy we can save our environment and ourselves.

Class: 3-4 No. 4 Name: Arahaki Koharu

3年 新垣 小春

**SAVING ENERGY!**

We use too much energy. In fact, it's having a huge impact. What can we do? There are many ways. You will save energy by doing it. Let's think about it. Your actions change something.

Class: 3-4 No. 29 Name: Fukumoto Ririna

3年 福元 鈴々菜

**STOP Global warming!!**

**You can do it!!**

We can turn off the lights when we leave a room! Also, we can turn down air conditioners and heaters! Only if you do that, we will be happy in the future!!

Class: 3-4 No. 10 Name: [unclear]

3年 與儀 みれい

**environment**

I think there's a future we can do for the environment. For example, reducing, reusing and recycling. Reuse Eco bags, to save resources. Or reuse recycling bottles of PET. So let's find something good for the environment and practice.

Class: 3-4 No. 20 Name: [unclear]

3年 新田 リリア

**STOP**

Let's save the world together. Let's make the world a better place. Let's use only the amount of water you need. Let's use the water in a responsible manner. Let's use it wisely together.

Class: 3-4 No. 10 Name: [unclear]

3年 富永 紫月

**Let's get rid of leftover food**

We are left uneaten as a matter of course. However, you can get rid of it by putting as much as you can eat on a plate. By doing so, food loss can be prevented and the amount of garbage discharged can be reduced, leading to prevention of global warming.

Class: 3-3 No. 26 Name: Nakazato Rinka

3年 仲里 凜香

**Limit**

**Don't waste Electricity**

turn off the lights when you don't use your room. When it's cool, stop using your conditioner. Why don't you live longer with our Earth?

Class: 3-5 No. 3 Name: [unclear]

3年 新垣 しあ

### Electric Cost

Make using time shorter.  
Your Electric Cost  
will be less and less.  
Let's try it  
together

Class: No. Name:  
3-2 10 NeNe Osawa

3年 大沢 寧

### Global Warming

Fossil fuels are necessary for our lives, but they have some serious problems. When we burn fossil fuels, they produce greenhouse gases. Greenhouse gases cause global warming. We need to use less energy. So, we should start saving energy. We can turn off the lights when we leave a room.

### Garbage problem

Now, the trash problem is fussed about around the world.  
Please separate in the throw out the garbage and please do 3R. (Reduce Reuse Recycle)

Class: No. Name:  
3-2 15 Ran Kurato

3年 蔵当 蘭

### Let's Use Our Own STRAW

For resources we receive from nature.  
You are able to save energy for ourselves by one thing.  
That is USE YOUR OWN STRAW.  
Let's reduce plastic again.  
Let's go out with our STRAW.

Class: No. Name:  
3-2 10 Sasa Chiroro

3年 大城 來珠

### STOP throw your trash

throwing your trash by ecosysteming will be broken. throw your trash without they is can not die.  
Trash is go to trash box  
make clean town Let's save them

Class: No. Name:  
3-1 4 新垣 舞香

3年 新垣 舞香

### Nature is treasure

### Restore green

1. Grow vegetable.
2. Increase flower in local area.
3. Use green curtain.

It is important to start nature to protect the earth.  
Let's cherish nature. Let's protect the environment.

Class: No. Name:  
3-1 2 Asato Haruka

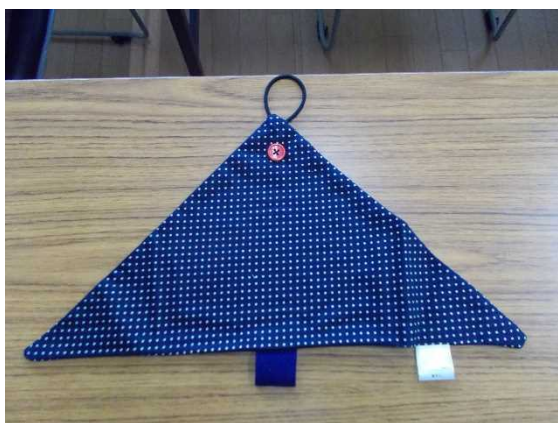

3年 安里穂乃果

### No littering!

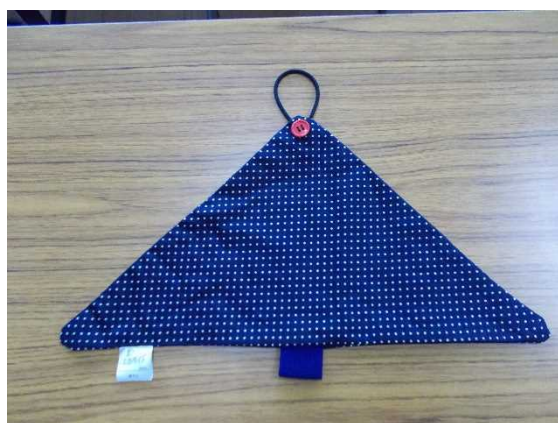

Throwing away will make the town dirty.  
But, Everyone is happy when the town is beautiful.  
Which do you prefer, a clean town or a dirty town?  
Let's all clean up the town!
